---

*“The combination of old vines planted as far back as 1922 along with vines from the 1960s and the year 2000 create a can’t-miss blend that belongs on every Zin lover’s table.”*

Marcucci Farms, Fava Brothers 2014 Zinfandel, is made traditionally in the Italian field blend style. The wine is garnet red in color with aromas of cherries, raspberries, and blackberries. It has a smooth palate with juicy cherries and a touch of chocolate. The structure is balanced with smooth tannins across the palate and finish.
